P.C.

1. Heard both the learned advocates.

2. It is fairly submitted that as per the affidavits and photographs it appears that 21 floors of the building in question have already been constructed. So, under the circumstances, the main relief has become infructuous and as such the directions be given to the trial court to dispose of the suit expeditiously. Hence, without interfering with the order that has been passed in this notice of motion, it is hereby directed that the parties to appear before the trial court on 29.10.2007 and the trial court to dispose of the suit as expeditiously

as possible and in any event within nine months from today.
